That neither the Personal Representative nor her attorney have received any payment for the services rendered on behalf of the estate, and they believe that just and reasonable compensation to the Personal Representative for her services is the sum of Four Thousand Six Hundred Dollars (\$4,600.00) in that she has over two hundred (200) hours of services rendered in attending to her duties as personal representative; and for the services of said attorney the sum of Sixteen Thousand Eight Hundred Eighty Eight and 64/100th Dollars (\$16,888.64) is reasonable, in that the attorney's office has over eighty (80) hours devoted to the legal, tax, distribution, accounting, and auditing aspects of this estate. In addition to hours of time devoted to this estate, the Personal Representative's attorney has incurred and paid legal expenses in the amount of Two Hundred Thirty Two and 14/100th Dollars (\$232.14) for

administrative costs such as filing and publication fees. That a full detail of the attorney's time and expenses is attached hereto and made a part hereof as Exhibit "A." That said sums due the Personal Representative and her attorney are not in full and final settlement for their services provided to this estate, as objections have been filed to the final account on this estate, and additional pleadings and attendance at hearings are expected in order to close this estate.

WHEREFORE, said Personal Representative and said attorney pray that the Court fix and determine their fees for their services rendered in connection with this estate through the date of this petition and order the same to be paid as costs of administration of this estate.

WHEREFORE, said Personal Representative and said attorney pray that the Court allow additional fees for their services to be rendered in connection with this estate pertaining to any work required in order to close this estate, from the date of this petition forward, and for all other relief which is proper in the premises.

Respectfully Submitted,
